

PRAYER FOR THE SECOND WORLD ASSEMBLY OF GUANELLIAN COOPERATORS

God, our provident Father,
we come before You with grateful hearts
as we prepare for the World Assembly of the Guanellian Cooperators.
Inspired by the merciful heart of Saint Luigi Guanella, father of the poor,
we ask You to make us instruments of your peace and of your charity
in a world torn apart by hatred, violence, and individualism.

Lord Jesus, good Shepherd and compassionate Samaritan,
as You gathered your disciples to listen, to discern and to serve,
gather us too in unity of spirit.
Grant wisdom to our leaders,
clarity in our decisions, and joy in our fraternity
as representatives of the Guanellian Cooperators from different nations
meet as one family.

Holy Spirit, fire of love,
renew in us the Guanellian zeal,
to see Christ in every poor person,
in the sick, in the elderly, and in those who have no voice.
May this Assembly be a time of renewal of the family spirit
and of the sense of belonging, a time of listening, of conversion, and of boldness to serve.

Mary, Mother of Divine Providence, and Saint Luigi Guanella,
walk with us, guide our steps, and intercede for us.
May this Assembly bear fruit for the Church
and for all those whom Providence places on our path,
that we may become true and authentic bearers
of the Good News of Charity,
in our families, in our work places, in the streets
and wherever we may find ourselves.

Amen.
